Newport City Council Meeting Participation Guidelines

Newport City Council meetings are for the purpose of allowing Council members to conduct City business. Distinct from public hearings or town meetings, City Council meetings are held in public, but are not meetings of the public. City Council meetings are the only time the City Council members have to discuss, deliberate and decide upon City matters. In an effort to conduct orderly and efficient meetings, the Mayor kindly requests your cooperation and compliance with the following guidelines per the policy adopted on December 21, 2015 and ratified on January 23, 2017:

1. Please be respectful of each other, Council members, city staff, and the public.
2. Please raise your hand to be recognized by the Mayor. Once recognized, please state your name and address or affiliation.
3. Please address only the Mayor and not members of the public, staff, or presenters.
4. Please abide by any time limits. Time limits will be used to insure everyone is heard and that there is sufficient time for the Council to complete their agenda within a reasonable timeframe.
5. The Mayor will make a reasonable effort to allow everyone to speak once before speakers address the Council a second time per the limits adopted on January 23, 2017.
6. Once public comment has been heard, discussion will be limited to the City Council members.
7. Please do not interrupt or mock other speakers or otherwise exhibit disruptive behavior during the City Council meeting.
8. Please do not repeat the points made by others, except to indicate agreement or disagreement with other views.
9. Please use the hallway for side conversation. It is difficult to hear speaker remarks when side conversations are occurring in the Council Chamber.
10. Presentations to the Council are not open to public comment. However, per the policy adopted on December 21, 2015, matters on the agenda requiring a vote are open to public comment immediately prior to the Council vote.
11. Individuals who do not abide by these procedures will be asked to leave the Council Chamber.

NAME OF ENTITY APPLYING: City of Newport, VT

PROJECT PRIMARY CONTACT: Thomas Bernier, Director of Public Works

STATE & CONGRESSIONAL DISTRICT: Vermont VT - 00

AMOUNT BEING REQUESTED: \$500,000

PREVIOUS RECIPIENT: NO

AARP Challenge Grant

Newport will apply for an AARP Challenge Grant in the amount of \$25,000.00 to match the VOREC grant award to Newport of \$35,000. These funds will be used to complete the Prouty Beach Connector Trail which will serve as the vital link between the Bluffside Farm Trail that ends on Prouty Beach at the new bridge that will be constructed over Scott's Cove, and the beginning of the City Bike Trail. In reviewing the layout of the trails, coupled with recognition of the incredible amenities offered at Prouty Beach, the Prouty Connector is an optimum path to link the Bluffside Trail directly into the Designated Downtown. By constructing the Connector, trail users of the Waterfront Trail Corridor will have access to restroom facilities, the beach area, picnic facilities and the campground. These amenities will further enhance the outdoor recreational experience for residents and visitors alike. This project fits within the AARP list of eligible activities, particularly by:

- ***Delivering a range of transportation and connectivity options*** through permanent or temporary solutions that increase walkability, bikeability, wayfinding, access to transportation options and roadway improvements and
- ***Creating vibrant public places*** through permanent or temporary solutions that activate open spaces, improve parks and improve access to amenities

AARP VT Placemaking Grants

Newport will apply for an AARP Placemaking Grant in the amount of \$3,000 to support the emerging project of "Newport as Botanic Garden." This project is a collaborative effort between the City of Newport and the Downtown Development Organization to implement unique design elements within the City that will enhance the appearance of the City for residents and visitors alike, increase pedestrian and cycling traffic around the City, and promote a healthy lifestyle by encouraging walking and the enjoyment of Newport's outdoor assets and incredible natural beauty. The project will merge the on-going Landscaping activities of the City with the concept of creating the City as Botanic Garden by providing identification of trees, shrubs and flowers in the City's landscape, and increasing the number of small unique themed gardens (an herb garden, a flower garden, a healing garden, a secret garden etc. just to name a few) in various locations around the City. Walking maps can be developed to encourage people to walk from site to site and various programming initiatives can be developed with community volunteers to maintain and promote these specialty gardens. Money from the grant will be used as "seed money" to purchase specialty seeds and plants and gardening supplies to begin this exciting initiative. The City Landscaper will head up the Botanic Garden Committee under the Design Committee of the Downtown Development Corporation which will also contribute funds in support of this initiative.

This project meets the objectives of the Placemaking grant by helping participants:

- Enhance perceptions and attitude toward community change.
- Recognize how community design influence successful aging, health and overall livability;
- Build healthier more vibrant public spaces.
- Create inclusive, multi-modal placemaking activities that can be applied within the community

From: Laura Dolgin, City Manager
Date: March 29, 2019

Re: Structure and Administrative Design of the City Landscaper

The City Council approved the appointment of Robert Gosselin as our City Landscaper position at their February 11, 2019 meeting. We now need to ensure our financial accounting is in proper order, as follows:

The position is budgeted to work 1440 hours at \$20.00 an hour = \$28,800.00 from April 1 through December 31, and Robert will be salaried. Our Personnel Policy allows that his medical is factored in for 12 months worth of coverage and paid for with his 39 weekly paychecks during the 9 month period. His medical contribution will need to be adjusted as premiums change with each calendar year. He will accumulate leave based on 70%, to include only the holidays that fall within the 9 month period of his employment. He will be off payroll for January, February and March. He will be eligible for annual pay increases same as all other administrative staff.

For the remainder of this fiscal year, FY18-19, the Centennial Budget will be used to pay for inventory and tools, as approved by the Centennial funders. All Salary costs will be attributed to the 06 line items as indicated in the chart below. The necessary funds will be subtracted from the line items Public Works (0-92-98.10, 8-50-57.14, and 9-50-91.51) and Recreation (0-70-78.11), as authorized by Tom and Jess.

For the months of April, May, and June, 2019. Parks & Recreation and Public Works will need to reserve \$2,173.81 each month from the above captioned dept id's so that the expense can be attributed to 0-60-10.10.

Beginning July 1, 2019, all funds will be expended as accurately reflected in the City Landscaper 06 Budget Categories. These funds will also need to be adequately subtracted from their original expenditure line items as indicated below.

The Motion for the Council to make is to establish the required class of codes and account numbers to accommodate the newly created position of City Landscaper as they directed at their February 11, 2019 meeting. The class will be City Landscaper and the account numbers will be the 0-60-10.___ category.

Thank you.

A. PURPOSE.

The City Council of Newport City is required by law to conduct its meetings in accordance with the Vermont Open Meeting Law. 1 V.S.A. §§ 310-314. Meetings of the City Council of Newport City must be open to the public at all times, except as provided in 1 V.S.A. § 313.

B. APPLICATION.

This policy setting forth rules of procedure shall apply to the City Council of Newport City, which is referred to below as "the body." These rules shall apply to all regular, special, and emergency meetings of the body.

C. ORGANIZATION.

1. The body shall annually elect a president. The mayor of the body or, in the mayor's absence, the president shall preside over all meetings. If both the mayor and the president are absent, a member selected by the body shall act as chair for that meeting.
2. The mayor shall preserve order in the meeting and shall regulate its proceedings by applying these rules and making determinations about all questions of order or procedure.
3. A majority of the members of the body shall constitute a quorum. If a quorum of the members of the body is not present at a meeting, no meeting shall take place.
4. No single member of the body shall have authority to represent or act on behalf of the body unless, by majority vote, the body has delegated such authority for a specific matter at a duly-noticed meeting and such delegation is recorded in the meeting minutes.
5. Motions made by members of the body do require a second. A motion will only pass if it receives the votes of a majority of the total membership of the body.
6. There is no limit to the number of times a member of the body may speak to a question. A member may speak or make a motion only after being recognized by the mayor. Motions to close or limit debate will be entertained.
7. Any member of the body may request a roll call vote. Pursuant to 1 V.S.A. § 312(a)(2), when one or more members attend a meeting electronically, a roll call vote is required for votes that are not unanimous.
8. Meetings may be recessed to a time and place certain.

No additions to or deletions from the agenda shall be considered once the first act of business at the meeting has commenced. Any other adjustment to the noticed agenda, for example, changing the order of business, postponing or tabling actions, may be made by majority vote of the body.

Emergency meetings may be held only when necessary to respond to an unforeseen occurrence or condition requiring immediate attention by the public body.
4. A member of the body may attend a regular, special, or emergency meeting by electronic or other means without being physically present at a designated meeting location, so long as the member identifies him or herself when the meeting is convened, and is able to hear and be heard throughout the meeting. 2. At the beginning of each agenda, but before any action is taken by the public body, there may be as much as 15 minutes afforded for open public comment. By majority vote, the body may increase the time for open public comment.

 - b. Declare a recess or table the issue.
 - c. Adjourn the meeting until a time and date certain.
