Newport City Council Meeting Participation Guidelines

Newport City Council meetings are for the purpose of allowing Council members to conduct City business. Distinct from public hearings or town meetings, City Council meetings are held in public, but are not meetings of the public. City Council meetings are the only time the City Council members have to discuss, deliberate and decide upon City matters. In an effort to conduct orderly and efficient meetings, the Mayor kindly requests your cooperation and compliance with the following guidelines:

- 1. Please be respectful of each other, Council members, city staff, and the public.
- 2. Please raise your hand to be recognized by the Mayor. Once recognized, please state your name and address or affiliation.
- 3. Please address only the Mayor and not members of the public, staff, or presenters.
- 4. Please abide by any time limits. Time limits will be used to ensure everyone is heard and that there is sufficient time for the Council to complete their agenda within a reasonable timeframe.
- 5. The Mayor will make a reasonable effort to allow everyone to speak once before speakers address the Council a second time per the limited 2 minute timeline adopted on January 23, 2017.
- 6. Once public comment has been heard, discussion will be limited to the City Council members.
- 7. Please do not interrupt or mock other speakers or otherwise exhibit disruptive behavior during the City Council meeting.
- 8. Please do not repeat the points made by others, except to indicate agreement or disagreement with other views.
- 9. Please use the hallway for side conversations. It is difficult to hear speaker remarks when side conversations are occurring in the Council Chamber.
- 10. Presentations to the Council are not open to public comment. However, per the policy adopted on December 21, 2015, matters on the agenda requiring a vote are open to public comment immediately prior to the Council vote.
- 11. Individuals who do not abide by these procedures will be asked to leave the Council Chamber.

2.) Police - Chief Travis Bingham

It has been a busy couple weeks planning for the upcoming Eclipse. I have organized two meetings within our own Newport municipality with all stakeholders at the table. Our final meeting will take place this coming Monday to finalize any last minute details. We are planning for a large influx of people and strain on traffic flow and resources. The Police department will be fully staffed and prepared to deal with traffic congestion and incidents that arise. Neighboring agencies from State, County and our federal partners are at the ready to assist should the need arise. Along with this I attended a tabletop exercise that was put on by North Country Hospital for the Eclipse event. All Orleans County Stakeholders were present and representatives from Jay Peak. Without going into too many details, it was well organized and we found some corrective actions from this exercise that needed to be addressed. I have had many conversations with community members about this event. I feel confident we are prepared.

Abraham Saaman just completed his Level II (Part Time Officer) training at the academy last week. Ofc. Saaman has started his Field Training and will be completing that during the spring/early summer. We are excited for Ofc. Saaman to be joining our NPD team.

It remains busy in the policing world and most recent the arrest of an individual that was charged with Kidnapping, Reckless Endangerment and Unlawful Restraint. He was held without bail by the judge after his arraignment. The press release can be found on our Newport Police Department Facebook page. Another subject was arrested for an Attempted Robbery at Maplefields. These are just a couple of the highlighted cases. Lastly, I attended a tabletop exercise at Lake Region Union High School for an active shooter on Tuesday. Another great exercise and job well done to LRUHS.

3.) Fire - Interim Chief Kevin Lacoss

Tuesday 3/19

Training... 2 new Zoll AEDs were purchased and put into service. We went over the operation and maintenance of the units and placed them on the trucks. One will be on E2 and the other on Rescue 5.

We also purchased a new battery-powered chainsaw that was put into service after we received training from one of our firefighters, Jessie Hinton. We went over the operation of the unit and safety procedures. This will be a welcome addition as it can be used for interior overhaul with no C.O. exposure.

Friday 3/22

New Holmatro extrication tools were delivered. We will be training on the new tools on Tuesday, April 2, at the station. We have arranged to have a vehicle on location that we can do a live demo on. All city council members are welcome to attend. Training will begin at 6:15 pm.

Monday 3/25

Regional Emergency Management held its monthly meeting at the fire station. topics discussed were the upcoming solar eclipse and a presentation done by Reg Beliveau jr on Public Fire Education.

Tuesday 3/26

Truck checks were done at the station. Equipment checked included E1-E2- Rescue5- Tower 1-Air rescue boat- Side by Side- Mutual Aid Air trailer and results were recorded.... The new Extraction Tool batteries were plugged into the chargers. Trucks were also washed.

Tuesday 3/26

Newport Fire responded at Approximately 02.00 am to assist Newport Center Fire for a reported explosion and commercial garage fire. Newport Fire responded with Engine 2, Rescue 5, and 9 Firefighters. We were on scene until 4.00 am.

Friday 3/29

Met with VTrans on site, Rt 14, Coventry for a culvert replacement that will involve closing Rt 14, No concerns at this time.

We are currently at 42 calls for the year, and as always we are looking for volunteers to join our Department. If interested, stop at the station for an application or call 802-334-7919.

4.) Planning & Zoning - Frank Cheney

The Planning Commission continues to work tirelessly on the formulation of the new Unified Development Regulations as part of Newport's Bylaw Modernization Grant. The proposed draft regulation is currently under final review and is scheduled to be fundamentally completed by 6/30/2024. Additionally, I have scheduled a Developmental Review Board Hearing for April 3, 2024, at 6:30 p.m. to consider two commercial applications.

The Tax Assessment Office has been very busy with end-of-period site visits relating to the fast-approaching April 1st cutoff for identification of the upcoming tax year individual property values. The early indications of my initial visits represent a favorable increase in the value of the Grand List.

5.) Public Works - Director Thomas Bernier

- Holding weekly safety meetings last one today, Friday, March 29th on Safety Data Sheets
- Spring cleanup has begun of sidewalks, roads, and all facilities. A list of 74 street name signs was generated and various other needed regulatory signs were ordered recently.
- Causeway traffic signal & street lighting project will be moving forward with requesting bids of all materials within the project.
- Stone Environmental is scheduled to be at Gardner Park playground April 2nd to initiate the start of the remediation project.

- EPA/State Water System Lead and Copper Rule. The city will initiate an entire water system inspection of every water service line within our system. This task will require in-home/business visual inspections of every water line. I am coordinating this to encompass gathering information to assist with water meter data and installations.
- Wastewater facility sludge press and Casella container seems to be working very well and the crew is getting the container tonnage amount dialed in, so we are not overweight.

Exhibit C MVP Health Plan, Inc. Wellness Reimbursement Rider FRVT373

This Rider amends the terms of your MVP Health Plan, Inc. ("MVP") Contract (the "Contract") as follows:

A. General Description of Program.

MVP's Well-Being Reimbursement focuses on the total well-being of our members. The program considers five key dimensions in support of a member's total well-being: Social, Surroundings, Physical, Financial, and Mind & Spirit. This program is designed to help you take an active role in managing your lifestyle by providing incentives for meeting health recommendations, participating in programs, or completing healthy activities in support of our five dimensions. The program is easily accessible through the member website at myphealthcare.com or by calling the MVP Customer Care Center at the phone number listed on the back of your MVP Member ID card.

Well-Being Reimbursement

The Well-Being reimbursement provides up to a six hundred dollars (\$600) reimbursement per Contract, per calendar year for programs in the five dimensions of Well-Being: Social, Surroundings, Physical, Financial and Mind & Spirit. For a complete listing of the programs and program requirements, please refer to the MVP website at mvphealthcare.com or by calling the MVP Customer Care Center at the number listed on the back of your MVP Member ID card.

How to receive reimbursement:

Reimbursement applies to the calendar year in which the service is paid. Submit a completed Well-Being Benefit Reimbursement Request form to MVP Health Care. This form can be found by signing into your MVP online account at myphealthcare.com and selecting Begin Your Path To Well-Being. You may also contact the MVP Customer Care Center at the number listed on the back of your MVP Member ID card to have a form sent to you.

You must pay for the service before submitting a request for reimbursement. For each reimbursement you are requesting, you must attach:

- Proof of payment
- Documentation from the service provider, such as:
 - o Provider Name,
 - o Type of service provided,
 - o Date the service was rendered (start date),
 - Out-of-pocket cost for the service, including date(s) of all payment(s), and
 - o Name of the person(s) receiving the service.

B. Additional Program Provisions.

The maximum reimbursement is provided to the subscriber (contract holder) only. For example, a family of four enrolled in one plan contract would be eligible for one maximum reimbursement, per calendar year. Reimbursement applies to the calendar year in which the service or item is paid. For example, if a service was provided in December of the previous calendar year, but you paid for it in January of the current calendar year, it will apply to the current calendar year's reimbursement. All reimbursement forms must be received no later than one year after the date you paid for the service or item.

C. Reasonable Accommodations.

If it is unreasonably difficult due to a medical condition for you to achieve the standards for the reward under this program by calling the MVP Customer Care Center at the number listed on the back of your MVP Member ID card, we will work with you to develop a way for you to qualify for the reward.

D. Other Provisions.

All of the terms, conditions, and limits of your Contract also apply to this Rider, except where changed by this Rider.

A. Eligibility.

- MVP may only offer coverage to groups that meet the requirements set forth by the Vermont Department of
 Financial Regulation, 18 V.S.A. § 9414 and 8 V.S.A. §§ 15, 4089a, 4089b, and 4724. Group understands and agrees
 that MVP will evaluate Group's eligibility for coverage based upon information provided on the Group Application
 and/or other information provided by Group. MVP reserves the right to request group and/or subscriber eligibility
 information at any time, and Group agrees to furnish such information to MVP upon request.
- In order to be eligible for coverage, Group Members must satisfy Group's eligibility requirements, as well as the
 requirements set forth in this Contract including, without limitation, the eligibility requirements set forth in the
 Certificate of Coverage. (See definition of "Group Member" in Article I, Section "F" of this Exhibit).
- Group agrees that it will establish its eligibility requirements in a manner consistent with state and federal laws and
 regulations. Group agrees that any eligibility requirements adopted by Group for MVP coverage shall be applied in a
 fair and consistent manner so as not to prejudice or deter Group Members from selecting coverage with MVP.
- 4. MVP may elect not to provide coverage to Group, if Group has been terminated for non-payment of premiums by MVP or any other payer within the twelve (12) month period immediately preceding the proposed Effective Date of this Contract. Additionally, if MVP has at any time in the past terminated Group for non-payment of premiums, MVP

may require Group to remit all past due premiums and late charges to MVP before coverage under this Contract will take effect.

B. Enrollment.

- 1. Group shall have its Group Members, who want coverage with MVP, complete a hard copy or online web enrollment form. Copies of enrollment forms shall be sent to MVP.

MVP shall not go back more than sixty (60) days from its receipt of these reports to make any enrollment additions or terminations. Notwithstanding, for all additions, Group Members must still elect coverage within thirty (30) days from date of hire (for individuals eligible for Group benefits as a result of new employment status) or the end of an employer-imposed waiting period, if applicable, or during Group's "open enrollment period", "special enrollment period", or "dependent special enrollment period", as those terms are described in paragraphs "3", "4", and "5", immediately below.
- 3. Group agrees to have at least one (1), but no more than two (2) open enrollment periods per Calendar Year, with each being no less than thirty (30) days. During the open enrollment period, eligible Group Members may transfer between multiple health insurance options (if multiple options are offered by Group) and/or enroll in coverage that was previously declined by the Group Member. The collective duration of such open enrollment period(s) shall not exceed two (2) months per Calendar Year. Group and MVP agree to comply with and cooperate during the open enrollment period(s) established by Group. Except for "special enrollment periods", described in Paragraph "4" immediately below, and new hires added within thirty (30) days from date of hire (or the end of an employer-imposed waiting period, if applicable), Group agrees that it will not allow any Group Members to enroll with MVP outside of Group's open enrollment period(s).
- 4. If a Group Member and his/her Dependent(s) do not initially enroll or enroll during an open enrollment period, then Group Member and his/her Dependent(s) will in most instances be required to wait until the next open enrollment period before they may enroll for coverage with MVP. However, if Group Member and his/her Dependent(s) qualify for a special enrollment period then each are eligible to enroll. To qualify for a special enrollment period, one of the following conditions must be met:

a. Loss of eligibility for Coverage

- (1) Group Member and his/her Dependent(s) seeking to enroll must have been covered under a group health plan or had other health insurance coverage at the time coverage was previously offered; and
- (2) Group Member must have stated in writing that other coverage was the reason for declining enrollment at the time it was offered. This condition, however, must only be met if the Group required that this statement be made in writing and provided Group Member with notice of this requirement (and the consequences of such requirement) at the time coverage was offered; and
- (3) Group Member and his/her Dependent(s) applies for coverage within thirty (30) days after such loss of coverage or termination; and

 - (b) Legal separation, divorce, or annulment;
 - (c) Cessation of dependent status;
 - (d) Death of employee;
 - (e) Termination of employment;
 - (f) Reduction in the number of hours of employment:

 - (h) Loss of coverage because an individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual), and no other benefit package is available to the individual;
 - (i) A situation in which an individual incurs a claim that would meet or exceed a lifetime limit on all benefits; or
 - (j) A situation in which a plan no longer offers any benefits to the class of similarly situated individuals.

b. If you lose eligibility under Medicaid or Dr. Dynasaur

Group Member and his/her Dependent is covered under a state Medicaid or Dr. Dynasaur and coverage of Group Member and his/her Dependent under such a plan is terminated as a result of loss of eligibility for such coverage AND Group Member and his/her Dependent applies for coverage within sixty (60) days after the date of termination of such coverage; or

c. If you become Eligible for Medicaid or Dr. Dynasaur

Group Member and his/her Dependent becomes eligible for group health plan premium assistance under a state Medicaid or Dr. Dynasaur plan AND Group Member and his/her eligible Dependents apply for coverage within sixty (60) days after the date Group Member and his/her dependent is determined to be eligible for such assistance.

When enrolling pursuant to this Section, coverage under this Contract will commence as of the first date of loss of coverage following the qualifying event, provided we receive timely premium payment on Group Member and any Dependents' behalf from Group.

- 5. In addition to the "special enrollment rights" described in paragraph "4" above, Group and MVP agree to allow Group Members to add otherwise eligible dependents to their coverage either during Group's open enrollment period or during the "dependent special enrollment period." The "dependent special enrollment period" shall be a period of thirty (30) days from the date the dependent became eligible for coverage with MVP as a result of marriage, birth, adoption, or placement for adoption. In order to qualify for enrollment during the "dependent special enrollment period", the Group Member must notify MVP of his or her intent to add such dependent to his or her coverage within the thirty (30) day period described above. If a dependent is properly added during the "dependent special enrollment period", coverage shall commence for such dependent in the manner described in the Certificate of Coverage.

A "No Load Fee" will be charged in the event that Customer has scheduled a load for removal, and Contractor is scheduled to remove the load and finds that the container is empty, or is instructed by Customer not to remove a partially filled container. This "No Load Fee" will be waived provided that Customer has provided adequate notification of a change in schedule to Contractor (notification at least 12 hours prior to the scheduled time for removal)
- 2.4. Payment Terms & Credit Approval. This Agreement and payment terms are effective only after Contractor's approval of Customer's credit. Contractor's payment terms are Net thirty (30) days. Customer agrees to make payment at the office of Contractor specified on the invoice within thirty (30) days after the date of Contractor's invoice. In the event Contractor has not received payment within thirty (30) days after the date of invoice, Customer will be responsible for paying a 5% late fee on the unpaid balance. Such late fee shall be assessed monthly, and shall accrue on the day after the due date. If any payment required to be made by Customer hereunder is past due, Contractor, in addition to all other rights and remedies it may have, may suspend any or all services (including provision of equipment) until all past due amounts are paid. Customer will be responsible for all charges for the Contractor's reasonable expenses of collection of overdue amounts, including, but not limited to legal expenses.

Confidential Information

This document is Confidential Information and shall not be disclosed, reproduced, copied, loaned, or transferred to another person directly or indirectly, in whole or in part, nor used for any purpose other than that for which it is specifically furnished, without the prior written consent of Casella Organics.

- 2.5. The parties agree that Contractor shall have the right to withhold, offset, recoup or debit any amounts owed (or become due and owing) to Contractor or any of its affiliates by Customer, whether under this Agreement or otherwise.
- 2.6. Inflation Correction. Contractor will increase all Rates annually on the anniversary date of the Effective Date of this Agreement, at a rate equal to the annual percentage increase in the Consumer Price Index, published by the United States Department of Labor for All Urban Consumers, Series ID CUSR0000SEHG, water and sewer and city average, all urban consumers, seasonally U.S. collection services in (https://data.bls.gov/timeseries/CUSR0000SEHG).
- 2.7. Fuel Adjustor. Contractor may assess a fee (the "Fuel Adjustor") on a monthly basis to cover increases in Contractor's costs caused by increases in the cost of diesel fuel over a floor price of \$4.50 per gallon (the "Floor Price") based on the listed average price for diesel fuel for the month of service, as set forth on the EIA Retail On Highway Diesel Prices index for New England PADD 1B (the "Index") or a successor index. Each month Contractor will assess a Fuel Adjustor whenever the average monthly Index fuel price listed for the month of service (the "Service Month Index Price") exceeds the Floor Price. The Service Month Index Price can be located on the internet at the following web site: http://www.eia.gov/petroleum/gasdiesel/ and is listed in the spreadsheet link titled "full history".

The Fuel Adjustor will be made according to the following formula:

(Service Month Index Price-Floor Price/Floor Price)(Fuel Allocation in Pricing) (Tonnage Fee) = Fuel Adjustor.

Example calculation, assuming a Floor Price of \$4.50 per gallon, a Service Month Index of \$5.50 per gallon, a Fuel Allocation of 20 percent, and a Price Per Ton of \$81.56:

((\$5.50 - \$4.50)/\$4.50)*.20)*\$81.56=\$3.624/Ton

- 2.8. Extraordinary Rate Adjustments.
 - 2.8.1. Allowable Adjustments. Contractor may make reasonable adjustments to cover increases in costs of Contractor's provision of services (hereinafter "Rate Adjustments") arising from any of the following occurrences (to the extent not resulting from the negligence or willful misconduct of Contractor or Contractor's violation of any permit, law or regulation): (i) receipt of Residuals which do not meet the Quality Standard or any material change in the quality of Residuals or an increase in intensity odors, (ii) changes in Quantities as per Article 5 of this Agreement, (iii) changes in any laws, ordinances, or regulatory requirements or guidelines or changes in interpretation or enforcement thereof, (iv) revocation, suspension, denial or modification of any permit, license or approval, or (v) change in price to Contractor of disposal at any third party site, and all such Rate Adjustments in this Article 2.8.1 (i)-(v) are subject to Customer's approval, except that Customer approval shall not be required for Rate Adjustments that concern reimbursement of Contractor's actual costs incurred in connection with receipt of Residuals that do not meet the Quality Standards.
 - 2.8.2. Procedure for Rate Adjustment. Contractor shall provide Customer with written notice of any such Rate Adjustments as described in Article 2.8.1. together with reasonable justification therefor. If Customer does not reject such Rate Adjustments, in writing within thirty (30) days after Contractor first gives notice of such adjustment to Customer, Customer will be deemed to have approved such Rate Adjustment, and the new Rate will be effective as of that date (31 days after written notice by Contractor). If Customer rejects such Rate Adjustment, Contractor shall have the right to terminate this Agreement upon thirty (30) days written notice from the date of rejection, provided that Customer shall not have the right to reject the Inflation or Fuel Correction described above in Article 2.6 and 2.7. Notwithstanding Contractor's notice to so terminate this Agreement, Customer may extend this Agreement at the increased rate for up to 180 days after Contractor's notice of the increased rate; provided, Customer notifies Contractor in writing no more than fifteen days (15) after receiving notice

of Contractor's intent to terminate, that Customer desires to so extend this Agreement. Customer's notice shall state the period of the extension.

2.9. Measurement & Reports. Contractor will weigh all Residuals on a certified scale at the Contractor's Facility (ies) or other suitable location, and Contractor's weight slips obtained at such scales shall be the basis for measurement and billing and regulatory reporting for Residuals managed under this Agreement. Contractor shall ensure that its certified scale has been properly calibrated and Contractor will provide Customer with a scale report or shipping report monthly via e-mail on a monthly basis while this Agreement is in effect. The scale report includes a complete listing of the data on all the individual scale/shipping records. Prior to removing Containers loaded with Residuals from Customer's Plant, representatives of both Customer and Contractor will sign a Shipping Record prepared by the Contractor to verify information about the load contained therein, including the total volume of Residuals in cubic yards. A copy of the Shipping Record shall be provided to each party. If a representative of the Customer is not available at the time of service, the Shipping Record signed solely by the Contractor will be used to verify the information about the load. If certified scales are temporarily not available, the signed Shipping Records will be the basis for measurement and billing for the Residuals managed under this Agreement.

3. RESIDUALS QUALITY & QUALITY STANDARD

- 3.1. Quality Standard. Customer warrants that residuals meet the requirements and guidance of applicable laws, regulations, state guidance documents, and permits for the disposal of Residuals, including any requirements and guidance that is specific to the management and disposal of emerging contaminants. Customer warrants that the Residuals identified in this Agreement and supplied to the Contractor are not classified as hazardous waste under United States Environmental Protection Agency (USEPA) and/or any other applicable laws & regulations, including but not limited to, state laws and regulations. Customer will provide Residuals that are not frozen and are free of any trash, hazardous waste or other debris. The Residuals in the form of Dewatered Biosolids will have no free liquid, will not be unreasonably malodorous, and will have a minimum total solids concentration of greater than twenty percent (20%) and pass a paint filter test. Together, the above provisions of this Section 3.1 constitute the "Quality Standard." All materials generated at the Plant that fail to meet this Quality Standard shall be called "Non-Conforming Waste". Contractor has the right to refuse any Non-Conforming Waste in its sole discretion. Customer shall use reasonable business efforts to generate and provide to Contractor Residuals that meet the Quality Standard. Contractor shall have the right of first refusal to transport, process, recycle and/or dispose of Non-Conforming Waste. Customer shall provide Contractor with a Safety Data Sheet referencing the Residuals, and materials used in their production.
- 3.2. Odor Control. Customer is responsible for providing Residuals that are not unreasonably malodorous. Residuals that are unreasonably malodorous during transport or at the Facility are Non-Conforming Waste per Section 3.1. Customer will ensure that malodors will be addressed during Service. Customer will install, operate, and maintain a system to introduce odor neutralizing compounds. It is incumbent on the Customer to ensure the proper function of the system and effective treatment of all Residuals intended for removal by Contractor.
- 3.3. Timely Odor Notification. Customer is responsible for prompt notification to Contractor (within 24 hours), of observable changes or process upsets that appear to reduce the effectiveness of the odor neutralizing compounds, or the general intensity of odor observed in the Residuals or increases in the level/intensity of the odor observed in the Residuals.
- 3.4. Changes in Quality. Customer will use reasonable efforts to notify Contractor in writing ninety (90) days in advance of any change in the treatment or manufacturing process at the Plant that could materially affect the quality of the Residuals. Any material change in the composition of the Residuals to be generated may, in the sole discretion of Contractor, be considered a material change and, in the Contractor's sole discretion, may require new characterization, approval, and price.

In the case of three (3) repeated deliveries of Non-Conforming Waste by Customer to Contractor in a six (6) month period, Contractor may terminate this Agreement with ten (10) days written notice to Customer.

- 4.2. In the event that the Service provided by the Contractor as described herein contributes to the creation of attributes such as carbon offset credits, renewable energy credits, tax benefits and the like (hereinafter "Environmental Credits"), Contractor retains the rights and title to such Environmental Credits, and to the extent practical, Customer will provide substantiating documentation related to the Service.

5. OUANTITIES

5.1. Customer is not obligated to provide a minimum quantity of Residuals to Contractor. However, Customer will provide to the Contractor, and Contractor will manage pursuant to this Agreement, all of the Residuals generated at the Plant. RESIDUALS ANALYSES

6.1. Customer will pay for all laboratory analysis of Residuals (including sampling and sample shipment costs) as required by regulation for the disposal of Residuals, including those required by the Facility(ies) and Plant permits. Customer will promptly provide to Contractor all laboratory analyses and information which it obtains about the Residuals and which is required for regulatory reporting or necessary to implement the parties' mutual obligations pursuant to this Agreement, including Chain of Custody/EDD format documentation. If Contractor obtains test data on the Residuals, Customer may request copies of the analyses.

7. TERM, TERMINATION & SURVIVAL

- 8.2. As a Vermont municipality, Customer is subject to the requirements of the Vermont Public Records Act, 1 V.S.A., Chapter 5, Subchapter 3. During the term of this Agreement, it may be necessary or desirable for the parties to exchange "trade secrets," as that term is defined in the Public Records Act, for each to perform its obligations hereunder. Subject to the requirements of the Public Records Act, each party agrees to use such trade secrets only for their intended purposes and to maintain in confidence any trade secret information designated herein or later in writing by the other party during the term of this Agreement, and for a period of three years after termination of this Agreement. The standard of care for protecting such information, imposed on the party receiving such information, will be that

However, obligations of confidentiality shall not apply to any information to the extent it is (a) in the public domain, (b) learned from a third party not in breach of any confidentiality obligation, (c) already known without restriction by the party receiving it at the time of disclosure, or (d) required by the Public Records Act, court or regulatory order to be disclosed. In the event that Customer receives a request for Contractor's trade secret information, it shall promptly notify Contractor so that Contractor may take appropriate action to protect the confidentiality of its information.

- 8.3. Any and all inventions, improvements, techniques, methods, designs, processes, procedures and/or works of authorship developed, conceived, conceptualized, produced, described or made by Contractor or its employees, agents or subcontractors in connection with or related to the performance of Contractor's services under this Agreement (collectively, "Contractor's Intellectual Property"), whether or not patentable or copyrightable, shall at all times be and remain the sole and exclusive property of Contractor, and Contractor shall have and retain all rights and privileges of ownership therein and thereto, including, without limitation, the rights to file patent or trademark applications or copyright registrations, to license, assign, sell, transfer or convey any or all of the Contractor's Intellectual Property or any right or interest therein to any other person, firm or entity, and to receive and retain any and all fees, proceeds or other consideration attributable to any such license, assignment, sale, transfer or conveyance, provided that, during the Term of this Agreement, Contractor shall license to Customer all of the Contractor's Intellectual Property on a non-exclusive basis for use at the Facility (ies) without any additional charge, compensation or consideration therefor.

These warranties shall survive the expiration or termination of this Agreement.

Entire Agreement. It is understood and agreed that all understandings and agreements heretofore had between and parties thereto are merged in this Agreement, which alone fully and completely expresses their agreement and contains all of the terms agreed upon between the parties with respect to the subject matter of this Agreement, and that this Agreement is entered into after full investigation, neither party relying upon any statement or representation, not embodied in this Agreement, made by the other. Disputes.

- a. Unless otherwise ordered by the court, if a claim or dispute arises out of this Agreement or its performance, the parties agree to endeavor in good faith to resolve it equitably through negotiation, or if that fails, through non-binding mediation under the rules of the American Arbitration Association, before having recourse to the courts. Each party shall bear its own costs and expenses related to any mediation including, without limitation, attorneys' fees. Each party shall bear an equal share of the mediator's fees. This indemnity shall be inapplicable to the extent that the loss, damage, suits, penalties, costs, liabilities, expenses, claims, and/or actions result from Customer's provision to Contractor of hazardous or Non-Conforming Waste unless Contractor has exercised its right of first refusal under Section 3.1.
- b. Customer hereby agrees for itself, its successors, and assigns, to defend indemnify, and hold harmless Contractor its shareholders, officers, directors and employees from and against any and all loss, damage, suits, penalties, costs, liabilities, expenses, claims, and actions (including, but not limited to, reasonable investigation and legal expenses) arising out of any claim of tortuous interference, restraint of trade or any similar type of claim or any claim for loss of, or damage to, property, including Contractor's property, and injuries to, or death of persons, including Contractor's employees, to the extent caused by, or resulting from, Customer's: (i) negligence or willful misconduct; or (ii) provision to Contractor by Customer of Non-Conforming Waste over which Contractor has not exercised its right of first refusal under Section 3.1, or (iii) any other breach of the conditions of this Agreement.

Dear Jim, here is my comment from tonight's Special Meeting that you asked for:

It is clear from the continued predictable comments by an attorney resident at City Council meetings that there is a fixation on attacking the Mayor AND the council. It appears from past minutes and videos that this attorney resident may have proceeded with similar attacks on others prior to making us the now desired target. In addition, many of the comments are the interpretation of how that person sees things and that person's interpretation of law and that person's legal opinions. That person is NOT an attorney for the City and while we welcome comments that pertain specifically to the agenda at hand or if not on the agenda at the time of public comment, we ask that our council meetings not be used as a forum to practice law as her legal arguments or positions are not well taken and the council does not act as a trier of facts. Instead, the council is judiciously paying attention to council business and needs this time to attend to such business. This is not a vehicle for grandstanding at the expense of the taxpayers. Regardless of how the comments are designed to appear: for example, attempting to justify the comments thinking that perhaps Newport residents need protection, even though residents have demanded that these comments stop, as well as asking publicly that the person stop wasting the City's legal fees and legal resources, it has become destructive with outbursts when not being recognized, verbalizing how the council should vote, and outright interfering with the business of the council. Warnings have been given to please stop the disruption so that there would be no request for people to leave the council meetings. We welcome constructive comments at the appropriate times when recognized.

Thank you

NEWPORT CITY RULES OF PROCEDURE FOR CITY COUNCIL MEETINGS

A. PURPOSE.

The City Council of Newport City is required by law to conduct its meetings in accordance with the Vermont Open Meeting Law. 1 V.S.A. §§ 310-314. Meetings of the City Council of Newport City must be open to the public at all times, except as provided in 1 V.S.A. § 313.

B. APPLICATION.

This policy setting forth rules of procedure shall apply to the City Council of Newport City, which is referred to below as "the body." These rules shall apply to all regular, special, and emergency meetings of the body.

- 2. The mayor shall preserve order in the meeting and shall regulate its proceedings by applying these rules and making determinations about all questions of order or procedure.
- 3. A majority of the members of the body shall constitute a quorum. If a quorum of the members of the body is not present at a meeting, no meeting shall take place.

MEMO

To: Mayor Sullivan

Newport City Council

From: Michael Brown, Director of Recreation

Date: March 29, 2024

Re: Playground Equipment

This memo is to update the City Council on the progress with the Gardner Park restoration project. We sent out requests for proposals and received two proposals back, the proposals received are:

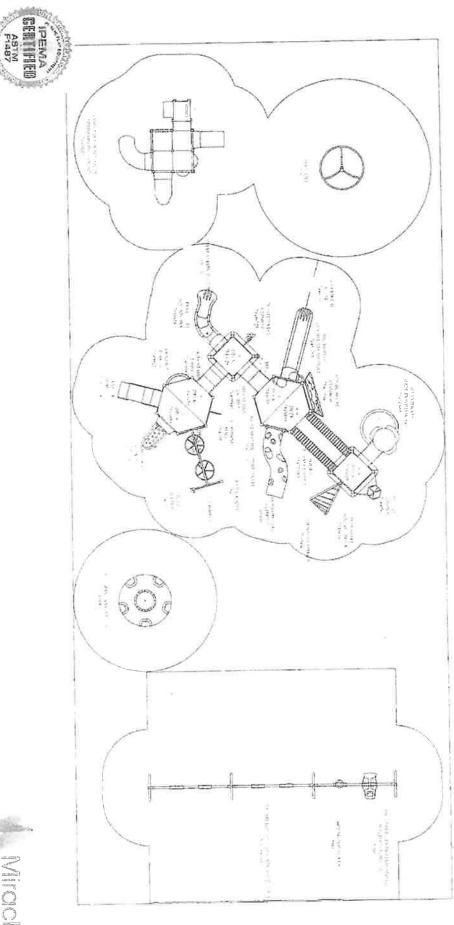

-Ben Shaffer Recreation, Lake Hopatcong NJ: \$85,719

-Pettinellis & Associates, Williston VT: \$101,590

The city purchased the equipment from Pettinellis & Associates, the proposal includes \$7,600 for engineered wood fiber ground cover. The play structures are also more robust and larger which include more elements such as additional slides and bouldering wall. For the additional \$8,271 (not including the \$7,600 for the needed ground cover), the play structures are larger and still within project budget. The schematics for each proposal are attached.

MEB

Gardner Park Newport, VT

To promote safe and proper equipment use by chidren, Mirable recommends the installation of either a Mirable safety sign or other appropriate safety signage near each playsystem's main entry point(s) to inform parents and supervisors of the age appropriateness of the playsystem and general rules for safe play. - R. The Grantee must comply with the award term and condition regarding trafficking in persons in Appendix 7 of this Grant Agreement.
- S. The assurances and certifications the Grantee has made and submitted to HUD are incorporated by this reference and made part of this Grant Agreement.

ARTICLE V. Drawdown Requirements

- A. The Grantee may not draw down Grant Funds until HUD has received and approved any certifications and disclosures required by 24 CFR 87.100 concerning lobbying, if applicable.
- B. The Grantee must use HUD's Disaster Recovery Grant Reporting (DRGR) system to draw down Grant Funds and report to HUD on activities.
- C. The Grantee must enter activity and budget information in DRGR that is consistent with the Grantee's Project and Approved Budget as described in Article III. sections A and B of this Grant Agreement and complies with HUD's instructions for entering information in DRGR found in the document titled "Grant Award Instructions" that accompanies the Grant Agreement.

- D. The Grantee must only enter activities in DRGR that are described in the Approved Budget.
- E. The Grantee must expend all Grant Funds in accordance with the activity and budget information in DRGR.
- F. Each drawdown of Grant Funds constitutes a representation by the Grantee that the funds will be used in accordance with this Grant Agreement.
- G. The Grantee must use DRGR to track the use of program income and must report the receipt and use of program income in the reports the Grantee submits to HUD under Article VI of this Grant Agreement. The Grantee must expend program income before drawing down Grant Funds through DRGR.
- H. Notwithstanding any other provision of this grant agreement, HUD will not be responsible for payment of any Grant Funds after the date Treasury closes the account in accordance with 31 U.S.C. § 1552. Because Treasury may close the account up to one week before the September 30 date specified by 31 U.S.C. § 1552, the Grantee is advised to make its final request for payment under the grant no later than September 15, 2031.

ARTICLE VI. Program-Specific Reporting Requirements

In addition to the general reporting requirements that apply under other provisions of this Agreement, the following program-specific reporting requirements apply to the Grantee:

- A. The Grantee must submit a performance report in DRGR on a semi-annual basis and must include a completed Federal financial report as an attachment to each performance report in DRGR. Performance reports shall consist of a narrative of work accomplished during the reporting period. During the Period of Performance, the Grantee must submit these reports in DRGR no later than 30 calendar days after the end of the 6-month reporting period. The first of these reporting periods begins on the first of January or June (whichever occurs first) after the date this Grant Agreement is signed by HUD.
- B. The performance report must contain the information required for reporting program performance under 2 CFR 200.329(c)(2) and (d), including a comparison of actual accomplishments to the objectives of the Project as described in Article III, section A of this Grant Agreement, the reasons why established goals were not met, if appropriate, and additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.
- C. Financial reports must be submitted using DRGR or such future collections HUD may require and as approved by OMB and listed on the Grants.gov website (https://www.grants.gov/web/grants.forms.post-award-reporting-forms.html).

- D. The performance and financial reports will undergo review and approval by HUD. If a report submission is insufficient, HUD will reject the report in DRGR and identify the corrections the Grantee must make.
- E. No drawdown of funds will be allowed through DRGR while the Grantee has an overdue performance or financial report.
- F. The Grantee must report and account for all property acquired or improved with Grant Funds as provided by 2 CFR part 200 using the applicable common forms approved by OMB and provided on the Grants.gov website (https://www.grants.gov/web/grants/forms-post-award-reporting-forms.html). This reporting obligation includes submitting status reports on real property at least annually as provided by 2 CFR 200.330, accounting for real and personal property acquired or improved with Grant Funds as part of Project Closeout, and promptly submitting requests for disposition instructions as provided by 2 CFR 200.311(c), 200.313(e), and 200.314(a).

ARTICLE VII. Project Closeout

- A. The grant will be closed out in accordance with 2 CFR part 200, as may be amended from time to time, except as otherwise specified in this Grant Agreement.
- B. The Grantee must submit to HUD a written request to closeout the grant no later than 30 calendar days after the Grantee has drawn down all Grant Funds and completed the Project as described in Article III, section A of this Grant Agreement. HUD will then send the Closeout Agreement and Closeout Certification to the Grantee.
- C. At HUD's option, the Grantee may delay initiation of project closeout until the resolution of any findings as a result of the review of semi-annual activity reports in DRGR. If HUD exercises this option, the Grantee must promptly resolve the findings.
- D. The Grantee recognizes that the closeout process may entail a review by HUD to determine compliance with the Grant Agreement by the Grantee and all participating parties. The Grantee agrees to cooperate with any HUD review, including reasonable requests for on-site inspection of property acquired or improved with Grant Funds.
- E. No later than 120 calendar days after the Period of Performance, Grantees shall provide to HUD the following documentation:
 - 1. A Certification of Project Completion.
 - 2. A Grant Closeout Agreement.
 - 3. A final financial report giving the amount and types of project costs charged to the grant (that meet the allowability and allocability

- requirements of 2 CFR part 200, subpart E); a certification of the costs; and the amounts and sources of other project funds.
- 4. A final performance report providing a comparison of actual accomplishments with the objectives of the Project, the reasons for slippage if established objectives were not met and additional pertinent information including explanation of significant cost overruns.
- 5. A final property report, if specifically requested by HUD at the time of closeout.

ARTICLE VIII. Default

A default under this Grant Agreement shall consist of any use of Grant Funds for a purpose other than as authorized by this Grant Agreement, any noncompliance with statutory, regulatory, or other requirements applicable to the Grant Funds, any other material breach of this Grant Agreement, or any material misrepresentation in the Grantee's submissions to HUD in anticipation of this award. If the Grantee fails to comply with the terms and conditions of the Grant Agreement, HUD may adjust specific conditions of this Grant Agreement as described in 2 CFR part 200, as may be amended from time to time. If HUD determines that noncompliance cannot be remedied by imposing additional conditions. HUD may take one or more of the remedies for noncompliance described in 2 CFR part 200, as may be amended from time to time. HUD may also terminate all or a part of this award as provided by 2 CFR 200.340 and other applicable provisions of 2 CFR part 200, as may be amended from time to time. Nothing in this Grant Agreement shall be construed as creating or justifying any claim against the Federal government or the Grantee by any third party.

ARTICLE IX. HUD Contact Information

Except where this Grant Agreement specifically states otherwise, all requests, submissions, and reports the Grantee is required to make to HUD under this Grant Agreement must be made in writing via email to CPFGrants@hud.gov.

Award Term and Condition for Grantee Integrity and Performance Matters

Reporting of Matters Related to Grantee Integrity and Performance

1. General Reporting Requirement

If the total value of the Grantee's currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then during that period of time the Grantee must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which Grantee Must Report

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five-year period; and
- c. Is one of the following:
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
 - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and the Grantee's payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2). or (3) of this award term and condition:

- (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on the Grantee's part; and
- (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. The Grantee does not need to submit the information a second time under assistance awards that the Grantee received if the Grantee already provided the information through SAM because the Grantee was required to do so under Federal procurement contracts that the Grantee was awarded.

4. Reporting Frequency

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must report proceedings information through SAM for the most recent five-year period, either to report new information about any proceeding(s) that the Grantee has not reported previously or affirm that there is no new information to report. If the Grantee has Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, the Grantee must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

- a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.
- b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.
- c. Total value of currently active grants, cooperative agreements, and procurement contracts includes—
 - (1) Only the Federal share of the funding under any Federal award with a cost share or match requirement: and
 - (2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.

APPENDIX 5 – Specific Award Conditions NONE.

APPENDIX 6 - Conflict of Interest Requirements

- 1. Conflicts Subject to Procurement Regulations. When procuring property or services, the grantee and its subrecipients shall comply with the applicable conflict-of-interest rules in 2 CFR 200.317 and 2 CFR 200.318(c). In all cases not governed by 2 CFR 200.317 and 2 CFR 200.318(c), the Grantee and its subrecipients must follow the requirements contained in paragraphs 2-5 below.
- 2. General prohibition. No person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee or subrecipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have a financial interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or for one year thereafter. - 3. Exceptions. HUD may grant an exception to the general prohibition in paragraph (ii) upon the Grantee's written request and satisfaction of the threshold requirements in paragraph (iv), if HUD determines the exception will further the Federal purpose of the award and the effective and efficient administration of the Grantee's Project, taking into account the cumulative effects of the factors in paragraph (v).
- 4. *Threshold requirements for exceptions*. HUD will consider an exception only after the Grantee has provided the following documentation:
 - a. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how that disclosure was made; and
 - b. An opinion of the Grantee's attorney that the interest for which the exception is sought would not violate state or local law.
- 5. Factors to be considered for exceptions. In determining whether to grant a requested exception after the Grantee has satisfactorily met the threshold requirements in paragraph (iii), HUD will consider the cumulative effect of the following factors, where applicable:
 - a. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
 - b. Whether an opportunity was provided for open competitive bidding or negotiation;
 - c. Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception

- e. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (ii);
- f. Whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
- g. Any other relevant considerations.
- 6. Disclosure of potential conflicts of interest. The Grantee must disclose in writing to HUD any potential conflict of interest.

Records Retention Policy City of Newport

I. PURPOSE

All Vermont public agencies are responsible for creating, managing and disposing of records in accordance with State and Federal laws and regulations. This policy is to ensure that all City of Newport officials and employees conform with and are aware of those mandates.

II. SCOPE

This Policy covers all "public records" of the City of Newport as defined by 1 V.S.A. § 317 as: "any written or recorded information, regardless of physical form or characteristics, which is produced or acquired in the course of public agency business."

III. POLICY STATEMENT

It is the policy of the City of Newport to comply with 1 V.S.A. Chapter 5, Subchapter 3 (referred to as the "Vermont Public Records Act"). All written or recorded information, regardless of physical form or characteristics, which is produced or acquired in the normal course of City of Newport business, shall be managed in accordance with the Record Retention Schedule below.

IV. UNIFORM LAWS, STANDARDS, AND PROCEDURES

- a. 1 V.S.A. §§ 315–320: Access to Public Records, including 1 V.S.A. § 317A: Disposition of Public Records.
- b. 3 V.S.A. § 117: Vermont State Archives and Records Administration
- c. 3 V.S.A. § 218: Agency/Department Records Management Program
- d. Archives and Records Management Standards and Best Practices https://sos.vermont.gov/vsara/manage/information-governance/standards/

V. GENERAL AND SPECIFIC RECORD SCHEDULES AND DISPOSITION ORDERS

Vermont State Archives & Records Administration's (hereafter referred to as VSARA) General Record Schedules (GRS) and Specific Record Schedules for Municipalities (SRS) shall govern the management of records, specifically access, retention, and disposition. In limited circumstances Disposition Orders (DO) may continue to be used until superseded by GRS.

In a few instances VSARA has yet to issue a GRS or SRS to define the retention period. These documents will be retained until a ruling has been made.

VI. RECORDS MANAGEMENT GUIDELINE

On an annual basis beginning in March 2024 and every March thereafter, the City of Newport will review and dispose of any records that have been completed, closed, expired or superseded as specified in the Record Retention Schedule (below) provided that:

- 1. The record has been authorized for destruction through a GRS, SRS or DO; and
- 2. The minimum retention requirement for the record, as stated in the applicable GRS, SRS or DO, has been fully met.
- 3. Any additional retention requirement adopted by the City of Newport and included in this policy has been fully met.

Records not yet covered by a GRS, SRS or DO will not be destroyed, and will be retained by the City of Newport.

VSARA had defined the term "permanent retention" as meaning until the State of Vermont no longer exists.

The term "audit" is defined as an examination by a public accounting firm.

Documents may be scanned for ease of access, but this is not considered permanent retention unless provision is made by the City of Newport to transfer files to future file formats.

To bring the City of Newport into compliance with this policy, an internal review and subsequent destruction of records as authorized by this policy will take place beginning in March 2024.

The City of Newport City Council reviewed and approved this procedure at their most recent meeting on ______.
